Each year thousands of workers are killed and millions more injured or diseased because of their jobs.

Please join us on Worker Memorial Day to honor those who have died in 2016 from a work-related injury or illness in King County.

This special ceremony will raise awareness about how we can strengthen our commitment to make jobs safer and save lives in Washington State.

Keynote Speaker: Rebecca Saldaña

Executive Director, Puget Sound Sage, part of the national Partnership for Working Families
